

# JOIN OUR KIDMIN VOLUNTEER TEAM

## Wednesday Nights

- **Nursery Volunteers:** You will get to spend time with the youngest kids in our community. You will be providing a safe space for these kids to play, be creative, and learn about God.
- **Crew Leaders:** You will be leading a group of young kids (3 - K) to the games, activities, and Bible lessons that will be taught by large group leaders. You will be the person that these young kids look to and feel safe with during these transitions.
- **Small Group Leaders:** You will be leading a group of kids (1st - 5th Grade) to their games, activities, bible story, and reflection time. This will be an opportunity to mentor and pour into the kids in these groups.
- **Games Leaders:** You will get to provide and lead group games for young kids and more elementary aged kids. This is be an opportunity to show kids how to have fun and also how to be a follower of Christ through the things that we do.
- **Craft Leaders:** You will show kids the many different ways that they can be creative. You can help show ways that we can use our creativity to love others and worship God.
- **Extra Helping Hands:** For those that are leading groups or activities, you can be the extra helping hands that are needed to make everything run smoothly. You will get chances to pour into kids and show Christ to others by being his hands and feet.
